

LIFETIME GUARANTEE

We guarantee the roofing system will be installed according to manufacturer specifications for the life of the material.

ON-SITE JOB SUPERVISION

Personal assistant during entire roof replacement
(salesman, on-site foreman, and owner)

PROPER JOB SETUP AND CLEANUP

Job set up to protect landscaping, lights, driveways, pools, patio furniture.

A SYNTHETIC UNDERLAYMENT

1. Far superior to traditional roofing felt.
2. 20 times stronger than felt.
3. 6 month warranty if left exposed.

B ICE AND WATER SHIELD

1. Adhesive membrane attaches directly to roof deck.
2. Installed in valleys, around penetrations, low slope areas, and problem areas.
3. Prevents ice dams from backing up shingle and wind driven rain.

C SOLID LEAD PIPE BOOTS

1. Lead boots will last the lifetime of the roof.
2. Lead boots will take the place of plastic boots that corrode under the elements.

D DRIP EDGE

1. Provides a protective edging from roof line to fascia.
2. Allows the water to drain off the roof or into the gutter properly.
